

RENOVATION ADAPTER

for DIVK-C 99 CD

LVI 7903486

Channel options:	Installation set 1	LVI 7903024
	Installation set 2	LVI 7903025

Renovation adapter + installation set 1

With the renovation adapter, the DIVK-C 99 CD ventilation unit can be installed in place of the old DIVK-280 and -400 series ventilation units with installation set 1.

Installation set 2 has the same channel outputs as, for example, old ILTO and MUH machines.

The renovation adapter and installation kit are suitable for right- and left-handed machines. Ventilation machine have to choose according to the handedness of the machine.
